

CARING FOR COLORADO

A report on UCHealth's investments in Colorado's communities.

We are honored to have provided more than 92,000 free health screenings at community programs and events like Fiestas Patrias Colorado Springs.

Based on input from our communities, UCHealth is addressing social determinants of health by focusing on three priorities:

access to care for the state's most vulnerable patients

1M

annual Medicaid admissions and outpatient visits

behavioral health expansion to address Colorado's critical need

\$150M

investment in expanding services

training new doctors and nurses to serve Coloradans

1,300

physicians trained each year
