**Colleen Anderson, OT Technician**
Colleen Anderson is a Colorado Native! She graduated from Manual High School in 1978. She completed a program in Certified Nursing Assistant at Pickens Technical Center. She worked in a nursing home and also was a PARA in the High School setting for special needs children. Colleen came to UCH in 2004 as an Occupational Therapy Technician. Her hobbies are camping and gardening.

**Cindy Armstrong, PT, DPT, CHT – CU PT FACULTY**
Cindy received her MPT from the University of Southern California in 1988, her Certification in Hand Therapy in 1997 and her tDPT from the University of Colorado in 2009. She joined the faculty of the CU Physical Therapy Program in 2004 and transitioned to a full-time faculty position at CU in 2008. Cindy is also affiliate faculty at Regis University Physical Therapy Program where she is responsible for teaching the wrist and hand content. In March of 2015, Cindy joined the Colorado Area Health Education Center (AHEC) and now holds a dual appointment. She is the Associate Director of Post Professional Programs for AHEC and is responsible for overseeing AHEC housing in addition to coordinating Health Screenings at the National Western Stock Show, coordinating Engaging Communities in Education and Research (ECER) rural health conference and supporting rural health providers in Colorado. Nationally she is the President of the Academy of Hand and Upper Extremity Physical Therapy, APTA, Inc, and sits on the Hand Therapy Certification Commission (HTCC) Exam Review Committee and the American Society of Hand Therapists (ASHT) Disciplinary Action Committee assisting in the development of the ASHT Code of Ethics. However, Cindy’s “happy place” is seeing patients at the Anschutz Outpatient Pavilion at University Colorado Hospital whenever her schedule allows.

**Karen Bourg OTR/L, CHT**
Karen is a graduate of Louisiana State University Health Sciences Center, where she completed her Bachelor’s Degree in Occupational Therapy in 1990. For the next five years, she specialized in the treatment of spinal cord injury, driving rehabilitation, and low vision adaptation in Baton Rouge, Louisiana. She moved to Denver in 1995 and began her work at University of Colorado Hospital preparing for her Certification in Hand Therapy (CHT). Karen sat for examination and fulfilled certification for her CHT in November, 1997. She has 20 years of experience here at UCH as an Occupational Therapy Specialist in Hand Therapy/upper extremity disorders and works closely with our Hand Surgery Clinic physicians to provide a team approach to hand rehabilitation. She has additional experience treating peripheral nerve injury, burns and upper extremity amputation/prosthetic training. When not at work, she enjoys Colorado- hiking, snowshoeing, doing jigsaw puzzles and spending time with her family and her energetic black Labrador.
Erica Brooks, OTR/L, CLT

In 2005, Erica graduated from the University of Kansas with her Masters in Occupational Therapy. She began her career working in a sub-acute rehab setting, which provided her with the opportunity to treat a wide spectrum of patients. She wanted to take her career in a new and challenging direction, and in 2012 she became a certified lymphedema therapist. She is now part of the multi-disciplinary wound care clinic, working as the lymphedema specialist. She has also had the opportunity to work with many of the oncology patients, assisting them in learning how to manage their lymphedema effectively. Erica also has a passion for music. Outside of work she spends much of her free time going to local concerts and music festivals, and from time to time you can even catch her playing guitar and singing on the stage herself.

Amy Callan, OTR/L, DOT SUPERVISOR

Amy Callan grew up in central Pennsylvania. Amy graduated from Saint Francis University of Loretto, PA in 2004 with a Masters in Occupational Therapy. In 2010, Amy completed her Doctorate of Occupational Therapy at Temple University. Amy has worked with a variety of client populations and currently specializes in treating neurological and low vision populations. Amy spends some of her clinical time in the low vision rehabilitation clinic at the University of Colorado Eye Center with Kara Hanson, OD, FAAO. Amy enjoys being outside jogging, hiking, and enjoying the Colorado outdoors.

Mark Derrevere, CHT, OTR/L

Mark Derrevere received his Bachelor’s Degree in Occupational Therapy from Florida International University, in Miami Florida in 1991. He has spent his career treating upper extremity and hand injuries. Mark, received his certification as a Certified Hand Therapist in January 1997, and has completed follow-up recertification twice, most recently in November 2011. Mark has worked in inpatient, outpatient, and work related injury environments. He is trained in the treatment of traumatic hand injuries, upper extremity burns, and cumulative trauma injuries. Mark enjoys hiking, abstract photography, furniture design, and spending time with his teenage daughter and rambunctious 1 ½ year old Samoyed.
Amy Dobbs, OTR/L

Amy Dobbs, Occupational Therapist grew up in the San Francisco Bay Area. She graduated with her Masters in Occupational Therapy from Samuel Merritt University in Oakland, CA in 2006. Amy’s professional career includes Stroke and Traumatic Brain Injury Rehabilitation in inpatient and outpatient settings and now Low Vision Rehabilitation at the Rocky Mountain Eye Institute Low Vision Clinic. She developed an interest and specialty in how vision impairments affect functional tasks and completed a Graduate Certificate in Low Vision Rehabilitation in 2012. Amy enjoys spending time with her family and friends, walking and hiking, reading and exploring Colorado.

Erin Erickson, OTD, OTR/L, BCPR, CLT

Erin has been an occupational therapist since 2006. Since graduating from Creighton University’s school of occupational therapy, she has spent most of her career focusing on treating oncology patients, with a focus on breast cancer, patients receiving bone marrow transplants and lymphedema patients. Erin became a certified lymphedema therapist in 2009 and taken many other continuing education opportunities focused around oncology rehabilitation and breast cancer treatments. She assisted with a program development project for patients receiving bone marrow transplants to receive therapy services during the transplant process and making appropriate recommendations for follow up therapy at discharge. Erin is dedicated to assist patients with all oncology diagnosis to improve their quality of life during and after treatments. Outside the hospital, Erin enjoys time at the lake water skiing, snow skiing, hiking, BBQ’ing and spending time cheering on the Nebraska Huskers! Go Big Red!!!

Marie Henley, OTR/L, CLT

Marie has been an Occupational Therapist since 2001. She graduated from Colorado State University and spent 13 years working in a level 1 trauma center. Marie has experience treating a variety of upper extremity injuries and burns in both acute and outpatient settings. In 2007 Marie earned her certification in Lymphedema Management (CLT). When Marie is not at work she enjoys exploring Colorado, hiking and skiing with her family. Marie joined UCH in 2014.
**Rebecca Jensen, OTR/L, CHT**

Rebecca graduated from The Ohio State University with a degree in Occupational Therapy in 1984. Her interest in hand therapy began early in her career when she had the opportunity to work with the hand surgeons in San Francisco at the Bunke Clinic. She received her certification in hand therapy in 1991. Rebecca was the owner of Mayacamas Hand Therapy in northern California for 29 years. She has a special interest in ergonomics and finds this area of prevention to be an important adjunct to treatment. Rebecca recently moved to Colorado with her husband and enjoys bicycling, running, skiing and visiting with her two grown daughters whenever possible.

**Karen Schultz, MS, OTR/L, CHT, FAOTA**

Karen received her Master's in OT from California State University San Jose. She became a Certified Hand Therapist in 1991—the first year a therapist could certify. She participated on the Journal of Hand Therapy editorial board. Karen has lectured internationally and published articles, chapters and monographs on a wide range of upper limb rehabilitation topics including upper limb anatomy, evaluation, splinting, work programs and cumulative trauma disorders. Karen received recognition as an American Occupational Therapy Association Fellow for special Occupational Therapy contributions.

Karen has a close relationship with her family. She enjoys skiing, hiking, working out, archery, and wine-tasting. She loves the fine arts and performing arts with a passion for music and dance. Carrying on a family tradition, Karen enjoys comedy and loves to tell jokes.

**Angela Vogel, MS, OTR/L**

Angie obtained her undergraduate degree studying psychology and business at Indiana University in 2005. Upon graduation, Angie moved to Chicago working as an account executive for the largest pharmaceutical advertising agency in the world. Realizing she wanted to work in direct patient care, Angie returned to academia and earning a master’s in science, occupational therapy from Rush University Medical Center in 2012. Since then Angie has practiced at Shawnee Mission Medical Center Hand Specialty Clinic in Lenexa, Kansas and recently moved to Denver in 2015. She enjoys exploring all that Denver and Colorado have to offer, especially the hiking and cross country skiing.
