

Application to host a mobile blood drive

Thank you for your interest in hosting a mobile blood drive!

Over 80% of UCHealth blood products are the direct result of community-hosted blood drives. [UCHealth Garth Englund Blood Center](#) is fortunate for the many people, businesses, and organizations in the northern Colorado community that commit to hosting blood drives on-site.

Donations made during our blood drives stay within the UCHealth system. They support patient needs at Poudre Valley Hospital, Medical Center of the Rockies, Greeley Hospital, and Longs Peak Hospital. Your willingness to host a blood drive is a vital component to the success of our hospitals.

Your information	
Organization/Business Host	
Contact person	
Phone	
Email	
Address	
Date or Time preference for event	
Expected # of donors	
Is this event in honor of anyone? If so, would you be comfortable sharing?	

Additional information

- We have two mobile units, and based on volume there is an option to set up donor chairs in a space inside your location.
- All promotional materials regarding the event will be supplied for you. Any additional materials must be approved in advance of publication.
- It is the responsibility of the site coordinator to recruit donors internally.
- There is no cost to host a blood drive with UCHealth.

To submit this form
