## Test Catalog Information Requirements for Proper Sample Collection

The Clinical Laboratory wishes all providers and their patients a Healthy and Happy New Year!

To ensure timeliness of sample processing and testing, please consult the Clinical Laboratory Test Catalog for important test and sample collection information before obtaining samples.

To access the test catalog, use the following link,

<https://www.uchealth.org/professionals/Pages/Clinical-Laboratory.aspx>, click on “Test catalog” in the blue box, then enter the name of the test to reveal pertinent test information.

The screenshot shows the UCHealth website interface. At the top, there is a navigation bar with links for "HEALTH CARE PROFESSIONALS", "EMPLOYEES", "EMPLOYERS", and "LANGUAGE". Below this is a dark navigation bar with buttons for "Home", "Locations", "Services", "Find a Provider", "Make an Appointment", "Patients & Visitors", "Classes & Events", "Careers", and "Access My Health Connection". A search bar is located below the navigation bar. The main content area is titled "PROFESSIONALS > HOME > CLINICAL LABORATORY". On the left, there is a sidebar menu with "Home" selected, and sub-links for "Affiliation Verification for Providers", "Epic at UCHealth", "Casey-Fink Survey Instruments", "Clinical Laboratory", "Accreditation and Licensure", "Certificates and Accreditations", "Compliance", and "Critical Lab Values". The main content area is titled "Clinical Laboratory" and contains text about accreditation and laboratory services. A "Resources" box is highlighted in blue, with a red arrow pointing to the "Test catalog" link. The "Resources" box also includes a link for "Pathology and cytology specimens".
