

## Documenting Injuries Objectively and Accurately for Victims of Violence SART Series

### Training AVAILABLE NOW

Presented by: Andi Greco BSN, RN, SANE-A, SANE-P

Date: AVAILABLE NOW

Location: Prerecorded Online

Target Audience: SANEs, RNs, Advanced Practice

Learning Outcome (s): Nurses will be able to document injury accurately and objectively for victims of violence.

1. Describe the definitions of specific injuries and how they are caused.
2. Explain common and uncommon pattern injuries with victims of violence.
3. Discuss case studies to demonstrate objective accurate documentation vs documentation that can be improved upon.

**1 Contact hour available for this course. MUST complete pre and post test to receive credit.**
