

# Lone Tree Health Center – Physical and Occupational Therapy

9548 Park Meadows Dr.  
Lone Tree, CO 80124  
720-848-2200

## **Mark Derrevere, CHT, OTR**

Mark Derrevere received his Bachelor's Degree in Occupational Therapy from Florida International University, in Miami Florida in 1991. He has spent his career treating upper extremity and hand injuries. Mark, received his certification as a Certified Hand Therapist in January 1997, and has completed follow- up recertification twice, most recently in November 2011. Mark has worked in inpatient, outpatient, and work related injury environments. He is trained in the treatment of traumatic hand injuries, upper extremity burns, and cumulative trauma injuries. Mark enjoys hiking, abstract photography, furniture design, and spending time with his teenage daughter and rambunctious 1 ½ year old Samoyed.

## **Rich Heim, MSPT**

Rich Heim graduated from the University Of Colorado Physical Therapy School in 2004, and also holds a bachelor of arts degrees from CU-Boulder as well. He enjoys treating all types of orthopedic disorders across the lifespan. Rich instructs hospital staff in transfer training and ergonomics to decrease the likelihood of injury at work. Outside of work, Rich likes to be active with his wife and kids, bike, and play tennis.

## **Christine Larzelere, MPT, UE LYMPHEDEMA CERTIFIED**

Areas of interest: Women's health, UE lymphedema, sport/spine injuries

**Arash Maslehati, PT, DPT                      SUPERVISOR**

Arash Maslehati, PT, DPT was born and raised in Colorado. He finished his Undergraduate Degree (B.S.) at Colorado State University in Exercise Science in 2007. Following this, he completed his Doctor of Physical Therapy degree (DPT) at Duke University in 2010 and has since been a practicing Physical Therapist. His clinical interests include chronic pain, sports, and orthopedic/spine related injuries. Arash enjoys spending time with his family, being active, and playing music.

**Sue Mirabito, Director**

**Danielle Scialdo, PT, DPT**

Danielle Scialdo grew up in Northern Virginia and received her Bachelors of Business Administration degree from James Madison University. After working several years as a financial analyst in the D.C area, she decided to move to Denver to pursue a more fulfilling career in physical therapy as her passion is to help people get back to the activities they enjoy. She graduated in May 2015 with a Doctor of Physical Therapy degree from Regis University. Danielle enjoys treating individuals with various musculoskeletal, post-operative and neurological conditions. She has been an active member of the American Physical Therapy Association and Orthopedic and Neurological sections since 2012. Outside of the clinic she enjoys anything outdoors including hiking, camping and skiing as well as spending time with her husband.

**Carla Stone**
